Brief about Event

The Vibrant Gujarat Global Summit was a biennial business event to hold in state of Gujarat, India, from 9th to 12th January, 2024 where business leaders, investors, and policymakers gather to discuss and promote economic development. The Prime Minister, Shri Narendra Modi inaugurated the 10th edition of Vibrant Gujarat Global Summit 2024 at Mahatma Mandir, Gandhinagar. The theme of this year's summit was 'Gateway to the Future' and included the participation of 34 partner countries and 16 partner organizations. The Summit is also being used as a platform by the Ministry of Development of the North-Eastern Region to showcase investment opportunities in the North-Eastern regions.

Shri Lakshmi Mittal, Chairman of Mittal, commended Prime Minister Modi's commitment to process continuity at Vibrant Gujarat and stressed the importance of steel for national self-reliance. He also highlighted progress on the Hazira Expansion Project and the focus on green investments. Mr. Toshihiro Suzuki, President of Suzuki Motor Corporation, thanked the Prime Minister for strong leadership in supporting Indian manufacturing. He praised India as the 3rd largest automobile market, commending the PM's progressive economic approach. Suzuki outlined plans for an Indian-made EV, export initiatives, and emphasized efforts on production capacity and reducing emissions through green technologies. Mukesh Ambani, Chairman of Reliance Group, praised Vibrant Gujarat as the world's top investment summit, crediting its success to PM Narendra Modi's vision. Ambani pledged significant investments in green energy, 5G, new materials, and more, emphasizing Gujarat's role in India's growth. Sanjay Mehrotra, CEO of Micron Technologies, appreciated Vibrant Gujarat's focus on semiconductor growth and announced plans for a high-tech facility, creating jobs and a substantial investment with government support.

Gautam Adani, Chairman of Adani Group, acknowledged PM Modi for India's remarkable economic growth, revealing plans for a substantial Rs 55,000 crore investment in Gujarat by 2025. He emphasized the expansion of a green supply chain and a large integrated renewable energy ecosystem, projecting over Rs 2 lakh crores in investments and 1 lakh jobs. Mr. Sultan Ahmed bin Sulayem, Chairman of DP World, praised the realization of PM Modi's vision at the Vibrant Gujarat Summit. He credited the Gujarat Government for promoting industrial clusters and highlighted strong economic ties between India and the UAE. Mr. Sulayem mentioned DP World's investment plans in state-of-the-art container terminals at Kandla, Gujarat, contributing to India's logistics infrastructure. Shri Shankar Trivedi, Sr VP Nvidia, credited PM Modi for catalyzing the adoption of generative AI in India, noting the global leader's focus on AI. He highlighted Nvidia's support for skill development in generative AI, emphasizing India's talent, scale, and unique culture. Nikhil Kamat, CEO of Zerodha, praised the country's last two decades of overall development and the thriving startup ecosystem, crediting PM Modi for fostering a stable environment for small entrepreneurs and the growth of e-commerce.

Saurashtra University has entered into two MoUs to help students become research skilled. Agreements have been signed with Flourish Biotech and Revdrove Technologies under Vibrant Gujarat-2024 under the guidance of Chancellor Dr. Nilambariben Dave. Saurashtra University signed an MoU with Flourish Biotech and Raivdrove Technologies. In which an MOU was signed with Flourish Biotech for a research project training center and skill enhancement activities with Revdrow Technologies. This MOU will benefit the students for research and skills. Under the guidance of Vice Chancellor Prof. Nilambariben Dave by Saurashtra University, signed of various MoUs during Vibrant Gujarat 2024. Saurashtra University make agreements with Swarnim Startup and Innovation University, Shree Vam Industries, and Bluegrass. These MoUs encompass Innovation Entrepreneur Skills with Swarnim Startup and Innovation University, Pharmaceutical Industry Start-up Skills with Shree Vam Industries, and Creative and Innovative Thinking Skills with Bluegrass. This strategic collaboration is expected to be beneficial for the students. Saurashtra University sign MoUs covering academic, research, sports, startup, entrepreneurship, and student-oriented activities.

Key Points

During the session, below mentioned points were discussed:

- Investment Plans & Global Impact
- Saurashtra University MoUs
- Visionary Themes and Initiatives
- North-Eastern Region Showcase
- Environmental Sustainability
- Innovation and Technology & Global Collaborations
- Educational and Research Collaboration
- Semiconductor Manufacturing Drive
- Economic Growth Projections
- Humanitarian and Inclusive Vision

Outcome

The Vibrant Gujarat Global Summit 2024 served as a significant platform for global economic discussions and collaborations, inaugurated by Prime Minister Narendra Modi under the theme 'Gateway to the Future.' Key industry leaders, such as Lakshmi Mittal, Toshihiro Suzuki, Mukesh Ambani, Sanjay Mehrotra, Gautam Adani, Sultan Ahmed bin Sulayem, and others, expressed appreciation for the summit's focus on diverse sectors like steel, automotive, green energy, and semiconductor manufacturing. They credited PM Modi's vision for India's remarkable economic growth and pledged substantial investments in Gujarat, emphasizing green initiatives and sustainable development. Additionally, the summit witnessed Saurashtra University forging strategic collaborations with various entities, enhancing research skills and promoting innovation, aligning with the broader vision of economic development and academic excellence.
